

Butterfly Tribute Memorials and Honoraria

“What is a Butterfly Tribute?”

The release itself is a symbolic gesture in which the donor may recognize the person or family of their choice, with a butterfly watercolor print created just for the Huntsville Botanical Garden, by artist Susan Redmon. The donation helps to fund the John and Tine Purdy Butterfly House in the Nature Center, which is located at the Children’s Garden.

The cost of each Butterfly Tribute donation is \$40 each. There are six (6) beautiful prints in the series to choose from. Once submitted, we will mail a beautiful 8.5 x 11 inch (suitable for framing) butterfly print to the person that is designated below. A custom card naming the person in memory or honor of, and the name of the donor will also be included.
