

## **Field Trip FAQ**

### **Can we bring a Purchase Order?**

Yes, you may bring a Purchase Order the day of your visit.

### **When do we need to pay?**

Payment is not expected until the day of the field trip. Purchase orders are allowed.

### **Do we need to call to confirm?**

If you have received your email or paper confirmation, there is no need to call again to confirm your field trip. Also, you do not need to call with any number changes unless you are going up a full class.

### **Is there a limit on parents?**

We do not set a limit on the number of parents who visit with their children. However, we do ask that the parents be involved with their children during the field trip. Parents are \$12. All parents must be paid for at one time either through the school or gathered by the teachers ahead of time. We cannot accept individual parent payment at the Garden.

### **Are siblings allowed?**

If your school is taking a guided field trip, we ask that siblings please stay home.

### **Some of my children's families have Garden memberships. Do they still need to pay?**

Parents who are members do not need to pay, but we ask that they show their card. Children who are participating in a guided field trip with their school do need to pay for the field trip because it is considered an educational event.

**For more information, please contact Misty Hertzog at 256-830-4447 ext. 253 or [mhertzog@hsvbg.org](mailto:mhertzog@hsvbg.org).**
